STREETERVILLE

Jameson | Sotheby's  
INTERNATIONAL REALTY

Navy Pier | Designer: Charle Sumner Frost | Founded: 1916

*From naval base and university campus to shipping hub and entertainment destination, Navy Pier is Chicago's hallmark of adaptive reuse. Despite several periods of abandonment and disuse, the Pier has evolved into one of the most visited attractions in the entire Midwest and is Chicago's number one tourist attraction.*

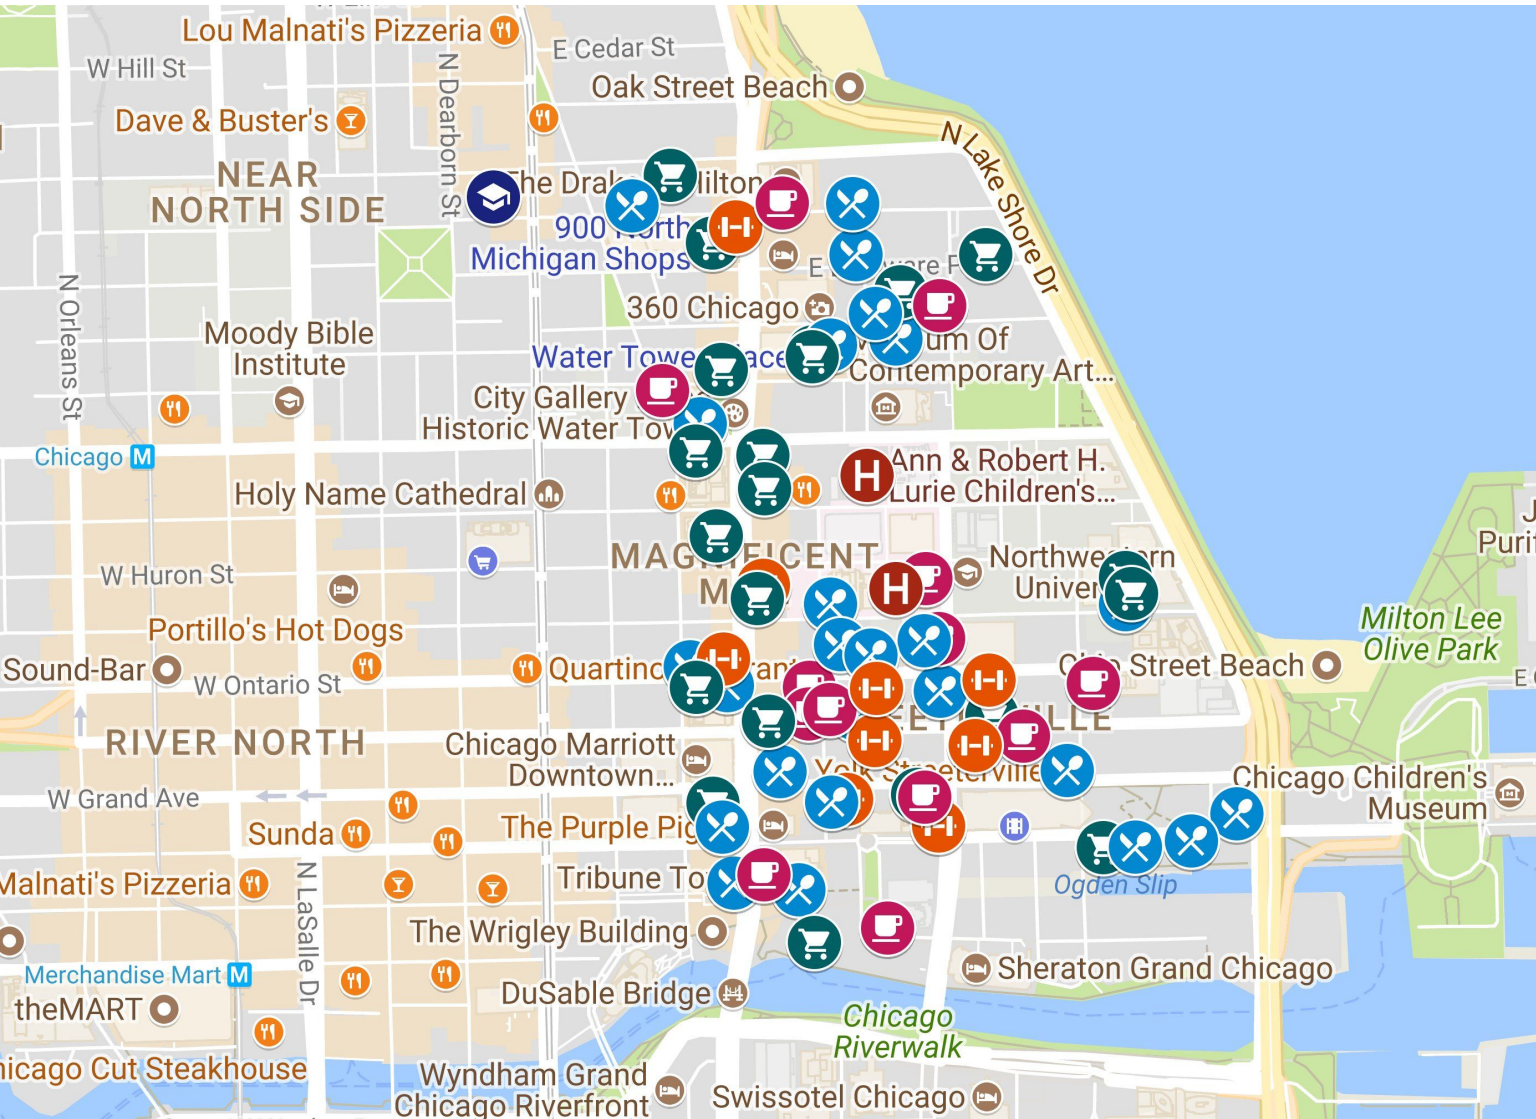

## STREETERVILLE

Streeterville, located east of Michigan Avenue and north of the Chicago River, was actually (for a short time) an independent territory claimed by the area's colorful founder, "Cap" Streeter. Today Streeterville is home to some of Chicago's most valuable real estate, including Michigan Avenue and one of Chicago's most popular tourist attractions, Navy Pier.

Housing in Streeterville includes vintage and newly constructed high-rises and mid-rise condominiums. The neighborhood is also home to the Museum of Contemporary Art, Northwestern University Medical Center and the university's downtown campus, as well as the Northwestern University Law School and the University of Chicago's Graduate School of Business.
